## OBJECTIVE

Video Editor and VFX Artist with an MSc in Animation & VFX, currently working as a Video Editor at T-Rex Agency (Relfor Labs), Pune, alongside freelance projects. I create real estate films, social media content and ad creatives, combining clean editing with VFX, CGI, motion graphics and colour grading. Skilled in Premiere Pro, After Effects, Nuke, Blender and Maya, I bring a storytelling focus and close attention to detail to every project. I am looking to take on more ambitious VFX and editing work with teams and brands that value high-quality visual storytelling.
